### Public Letter of Reprimand

On December 8, 2017, you entered into a Mediated Agreed Order with the Texas Medical Board whereby you were issued a public reprimand and required to comply with terms and conditions. The Texas Medical Board alleged that during a sexual relationship with a patient, you treated the patient for chronic pain, but failed to adhere to the Board's guidelines on documenting the treatment of chronic pain.

These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
